Have a Chuckle

An man goes into the confessional box after years of being away from the Church. He is amazed to find a fully equipped bar with Guinness on tap. On the other wall is a dazzling array of the finest cigars and chocolates in the world. When the priest comes in, the man excitedly begins..."Father, forgive me, for it's been a very long time since I've been to confession, but I must first admit that the confessional box is much more inviting than it used to be." The priest replies, "Get out. You're on my side."
(This week's Chuckle sent in by Tony Horrocks)
